The property offers impeccably presented and exceptionally spacious accommodation, which has just been professionally redecorated throughout.

The house features an impressive dual aspect living room with two sets of French doors opening out to the rear garden. The owners have committed to the purchase and installation of a modern Scandinavian wood burning stove which will provide a focal point of interest and complimentary heat.

Double doors then open from the living room into the dining room which in turn flows open plan into the L-shaped kitchen breakfast room. This area of the house certainly is the heart and hub of this family home with two further sets of French doors opening out to the rear garden. The kitchen and breakfast space enjoys a dual aspect with windows to the front and rear of the property.

A study and second lounge/reading room (or potentially a sixth bedroom due to an en suite bathroom present) complete the generous and versatile ground floor accommodation.

Upstairs welcomes you with a generous landing and an impressive and spacious principal bedroom enjoying a dual aspect and recently installed luxurious ensuite.

Bedroom two/guest bedroom is also an equally spacious double bedroom enjoying the luxury of a further ensuite.

There are three further double bedrooms which are served by the well-appointed family bathroom.

Outside the house enjoys an extensive frontage which the current vendors use extensively as a garden due to its privacy and versatility with west facing aspect for the afternoon and evening sunshine. The front garden is 90 feet deep by 75 feet wide approx. Recently professionally landscaped with extensive parking for numerous vehicles with a driveway that leads up to the attached oversized garage. Remote control up and over door and connecting personal door to the rear garden. The front garden also houses a summer chalet with light and power and a garden shed.

The secluded rear garden is east facing catching the morning sunshine being 80 feet deep by 75 foot wide narrowing down to 40 feet at the end of the garden. Again, the garden has been beautifully landscaped. There is a screened private area where the hot tub is located.

A particular feature of this property and the rear garden is the detached virtually self-contained studio, which is located to the far-right hand corner of the garden. This offers the opportunity for various uses either as an annex for a dependent relative or family member, potential for Airbnb or just as a game's room/Gym/hobbies etc. The studio has the benefit of a shower room and kitchenette area with french doors opening out onto a raised timber deck. Finally, there is an additional fully insulated garden room/office offering excellent work from home potential. Both the studio and office are centrally heated via a separate boiler.

This wonderful and versatile family home is situated in a premier location along a private sylvan tree lined road of differing houses of similar ilk. The property is within easy access to Ferndown town centre and the nearby nature reserves & its many woodland walks, highly commended schools and easy access routes to both Bournemouth and neighbouring market towns of Ringwood & Wimborne.
